---

## **Professional Summary**

Compassionate and detail-oriented Registered Practical Nurse (RPN), registered with the College of Nurses of Ontario in July 2025. Clinical experience in acute care settings including urgent care and stroke rehabilitation. Skilled in IV therapy, wound care, medication administration, and basic ECG interpretation. Demonstrated ability to prioritize patient care, work independently, and collaborate effectively in fast-paced environments. Committed to evidence-based practice, patient safety, ethical nursing, and cultural sensitivity.
