PROFESSIONAL SUMMARY

Compassionate and dedicated nursing professional with a Bachelor of Science in Nursing and extensive experience in providing personal care and support in high-pressure healthcare environments. Recognized for exceptional communication skills and a strong ability to connect with patients and their families, ensuring comfort, safety, and well-being. Demonstrated expertise in addressing diverse client needs with empathy, patience, and professionalism. Seeking a Personal Support Worker position to leverage my skills in personal care, teamwork, and attention to detail while contributing positively to the lives of residents.

RELEVANT EXPERIENCE

Registered Nurse

Helping Hands Community Hospital | Kathmandu, Nepal

June 2024 – November 2025

- Provided compassionate personal care to patients, ensuring their comfort and safety during daily activities.
- Assisted with vital sign monitoring, specimen collection, and other basic healthcare procedures under the direction of registered nursing staff.
- Maintained a clean and safe environment, including bed-making and organizing linens, to enhance resident comfort.
- Communicated effectively with patients and families, addressing concerns with empathy and providing emotional support.

Registered Nurse

Stupa Community Hospital | Kathmandu, Nepal

February 2024 – September 2024

- Supported patients with admission, discharge, and transfer processes, ensuring a smooth transition and a positive experience.
- Assisted in meal service and feeding assistance, promoting nutritional needs for residents in care.
- Documented resident care activities and communicated effectively with multidisciplinary teams to enhance overall patient care.

Registered Nurse

Chirayu National Hospital | Kathmandu, Nepal

August 2023 – March 2024

- Delivered high-quality support to clients with diverse needs, focusing on restoring mobility and enhancing life quality.
- Encouraged resident participation in life enrichment programs, facilitating engagement in activities and social interactions.

Registered Nurse

Nepal Medical College Teaching Hospital | Kathmandu, Nepal

April 2018 – December 2022

- Provided consistent emotional and social support to patients and families in a busy healthcare environment.
- Demonstrated strong interpersonal skills, ensuring clear communication and understanding during all client interactions.
